

Milanović Industries Group

2019

MIND – Milanović Industries Group

Company overview

- Location: Germany
- Machining of metal components
- Engineering
- Insulation and fire protection
- Mainly serving rail vehicle industry

- Planning, engineering and production of water treatment turn-key solutions
- Focusing on potable water treatment and waste water treatment
- Milanović Water Treatment Abu Dhabi

- Location: Serbia
- Machining and welding of metal components
- Engineering
- Mainly serving rail vehicle and aerospace industry

- Construction of buildings & infrastructure in MIND Park
- Renting office and manufacturing space
- Machine and Area Maintenance
- Shared Services incl financial and HR services

- Development of hard and soft skills
- Combining practical & theoretical training
- CNC, engineering, technical drawings, IT trainings e.g. for Catia, CAD
- Management Trainings

In establishment

- Central procurement
- Institute for material evaluation
- Science-Technology Park

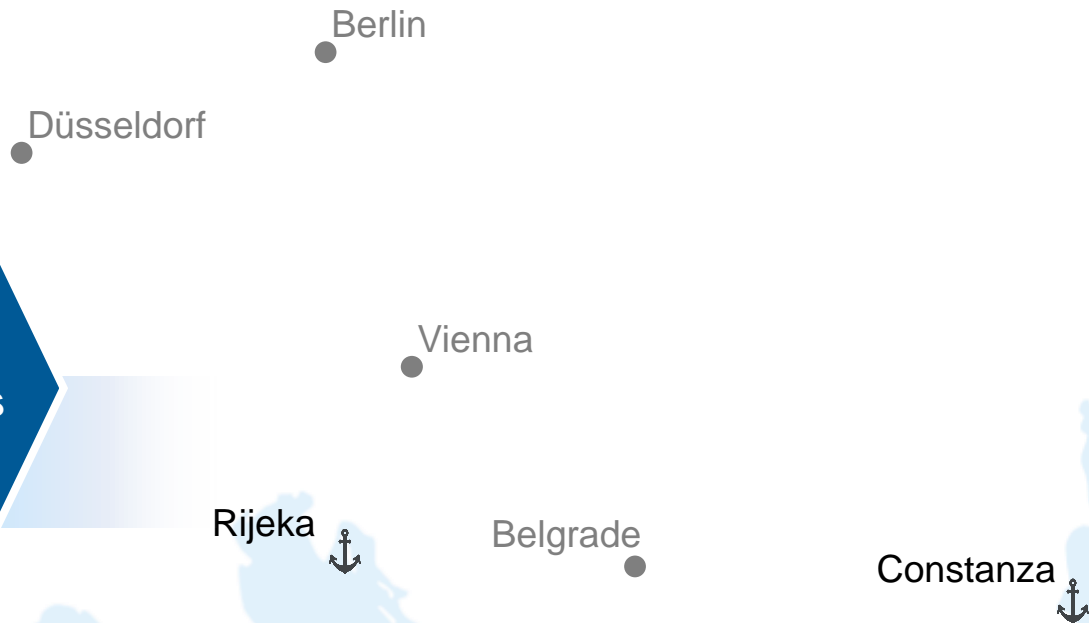

- Canteen Management
- Catering
- Organization of private and corporate events

- Planting / trading fruits & vegetables
- Processing fruits and vegetables

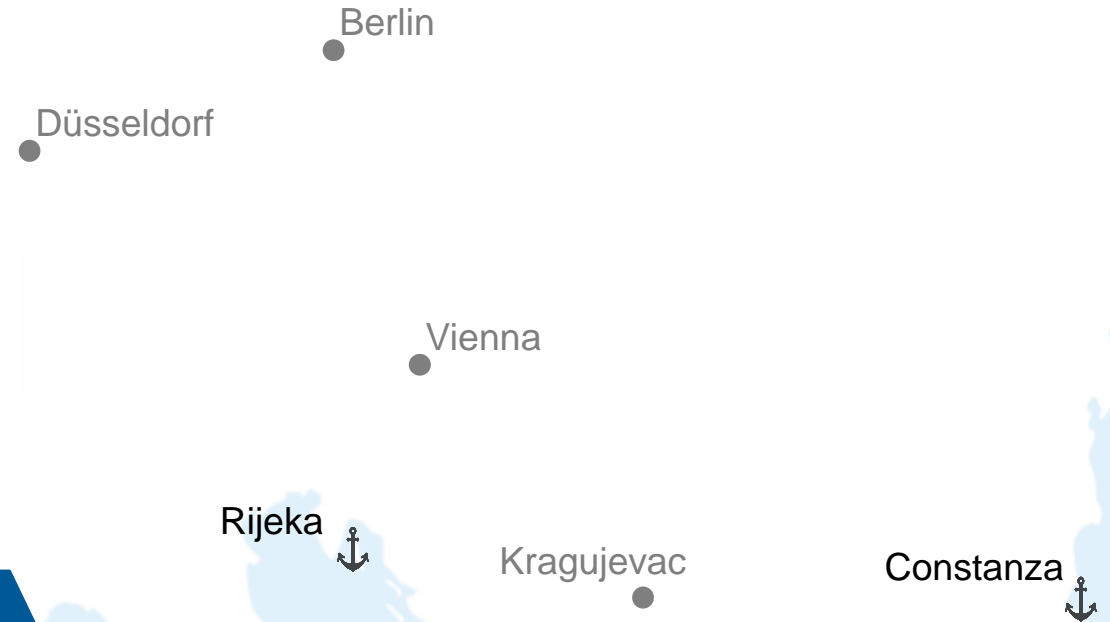

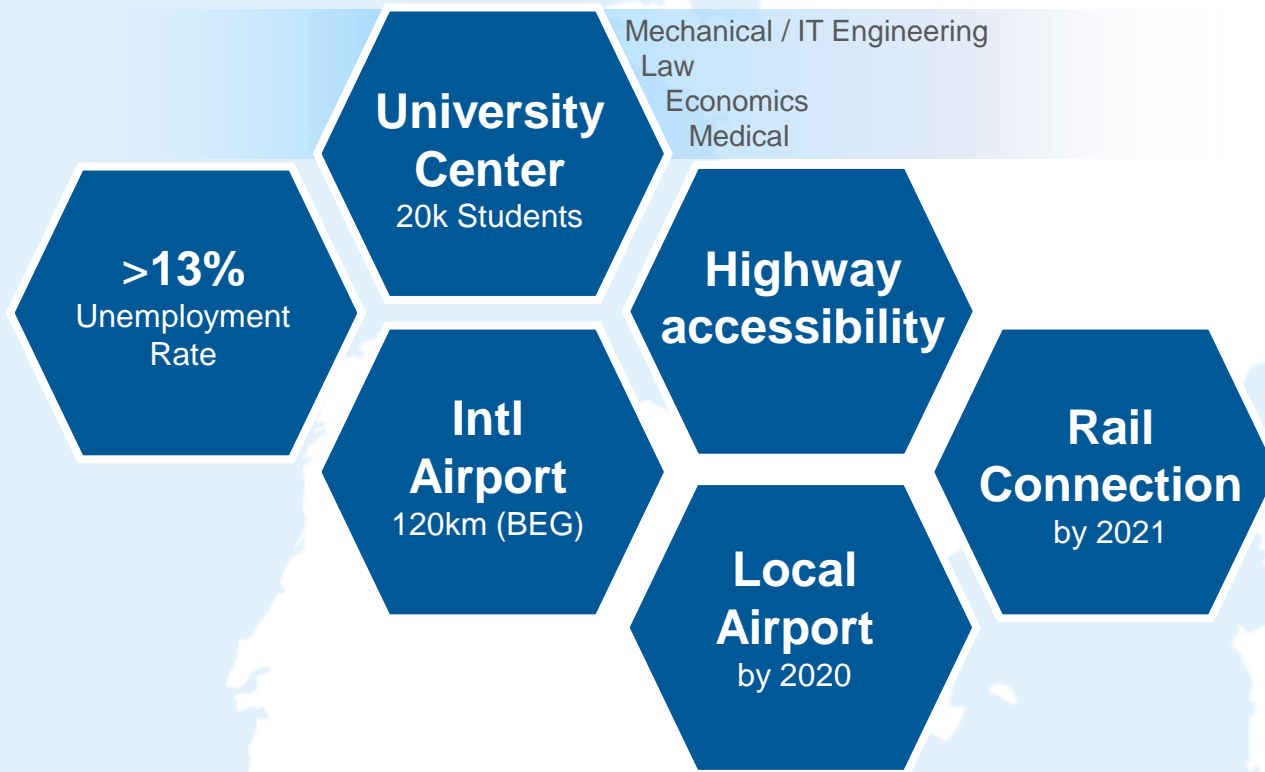

Serbia

Best-Cost Country in the middle of Europe

Kragujevac

Providing Infrastructure and Employees

Center of Competence

Space for expansion, innovation and creativity

Governmental Investment in infrastructure:

- Fiber Optic
- Gas Availability
- Local roads (high weight carrying capacity)
- Electricity

~140ha

Area

2017

Project Start

Feb. 2018

Building Permits

Nov. 2018

Production Start

Business Park

Innovating & Educating

Focusing on know-how & education

Our business park contains:

- Headquarter – Office space
- Education Center
- Engineering Hub
- Science-technology park

Complementary Institutions:

- Kindergarten
- Polyclinic & Diagnostics Center
- Aero Zone
- Canteen
- Sports Zone

MIND – Milanović Industries Park

Foundation Stone Ceremony – 12.04.2018

MIND – Milanović Industries Park

Construction Site – 01.12.2018

Headquarters

Sustainable, innovative & representative

Premises at location

Modern and innovative buildings ensure sustainability and meet needs

Office Space

Offices are located in the business park area. Surrounded by all important service partners.

Customs at location

Imported goods can be held within customs zone and can be removed just in time.

Manufacturing space

Our manufacturing space is well equipped with up to date technology.

Maintenance

Machine maintenance as well as area and building maintenance is available.

Customizable

Both manufacturing space as well as offices space can be customized to meet our partner's needs.

Infrastructure

Accessibility and internal infrastructure are brand new and ready for high capacity.

Infrastructure & Services

Making sure our partner start their journey easily

Providing Financial Services & Support

- Finance & Accounting
- Bookkeeping
- Payroll

Administering your Business Processes in

- Legal & Tax
- IT - Network & System Management
